Sir,

I have the honor to state that the Amildar of Arsikere taluk requested permission to convert into a musafirkhana, the old Taluk Cutchery building at Harnahalli, which is in quite a dilapidated condition, and the sub division officer recommended the same. The proposal was referred to the Executive Engineer, who opined that there was no necessity for a musafirkhana at Harnahalli. Subsequently, the Amildar reported in his No. 90, dated the 29th August 21, with a copy of the resolution ~~of the Harnahalli~~ of the Harnahalli municipal council that the building may be transferred to the municipality and a portion of it got repaired at an estimated cost of Rs 100/- as agreed to by the municipal council. He stated that the building being in disrepair, and within the municipal limits, it was necessary to put it in order and use it as a place for conducting public business for which there is no suitable accommodation at present. The matter was placed and discussed at the District Board meetings more than once and on the 24th Septr. 21, it was finally decided that the Amildar's proposal to take over the building to the charge of the municipality and get it repaired

as resolved by the Harnahalli Municipal Council may be approved. A copy of the resolution of the District Board and the copy of the resolution of the Harnahalli Municipality are forwarded herewith for information.

2. As the building in question is not required and cannot be maintained by the Revenue Department, and as it is very desirable that the building should be put in order to avoid possible public nuisance within the municipal limits, I request that you will be so good as to obtain the early approval of Government to the proposal.

I have the honor to be,
